Dear Messrs.. Feinstein and Galalis,

In furtherance of our phone conversation last week, I am forwarding an email that I just received from Steven Leff in regard to the source of the funds he used to pay my legal fees. Please be advised that no money has been paid to me since the issuance of the restraining order by Judge Wood.

Thank you.

Sincerely,

Michael,

The money that I used to retain you came from my retirement account that I had with UBS and in no way came from any tainted sources.
